"Every one of us, unconsciously, works out a personal philosophy of life, by which we are guided, inspired, and corrected, as time goes on. It is this philosophy by which we measure out our days, and by which we advertise to all about us the man, or woman, that we are. . . . It takes but a brief time to scent the life philosophy of anyone. It is defined in the conversation, in the look of the eye, and in the general mien of the person. It has no hiding place. It's like the perfume of the flower — unseen, but known almost instantly. It is the possession of the successful, and the happy. And it can be greatly embellished by the absorption of ideas and experiences of the useful of this earth."

East Central Has PRIDE

ECCC President Dr. Phil A. Sutphin

Pride- (noun) The quality or state of being proud. Inordinate self-esteem. A reasonable or justifiable self-respect. Delight or elation arising from some act, possession, or relationship. Proud or disdainful behavior or treatment. Ostentatious display. Highest pitch. A source of pride; the best in a group or class. A company of lions. A showy or impressive group (Merriam-Webster Collegiate Dictionary Eleventh Edition). There are several ways to define pride, all in which can be seen on the campus of East Central Community College. Depending on where you look, and how you interpret what you see, determines how you define pride.

SPRING SPREE

Staying true to East Central tradition, the annual Spring Spree games were held on April 30, 2009 to relieve students from the stress of the end of the year. Between finals, graduation, preparing for the next semester and the numerous other tasks that accompany this particular time of year, students need something to get their minds off the classroom. Spring Spree Week 2009 saw some changes from its predecessors.

For the first part of the week, teams could still opt to participate in the annual volleyball tournament. Three girls and three guys from each participating team went toe-to-toe in the sand court in front of Todd Hall.

On Thursday, all teams, made up of six girls and six guys met at the Bill and Louise Bailey Stadium to compete in one of the most competitive sporting events at EC—the Spring Spree games. Teams participated in events such as the Egg Race, the Three-Legged Race, Bat Spin and Amoeba Race—by far the most popular. While the object of the games is to have fun, teams are usually very competitive. Once the final scores were tallied, only a few points separated the top teams, but one team was named the Spring Spree 2009 Champions, The Bohicas. As the games concluded, the rain came in putting a damper on the Meal on the Mall, which replaced the usual crawfish boil and was set to feature the musical stylings of Rico and the Border Patrol.

The rain did not stop EC students, faculty and staff from attending the new addition to the week, EC Idol. Complete with the judges and host, played by students and faculty, EC Idol was a huge success. Many students performed hits from all different genres and eras of music. However, it was Courtney Gammil who sang "Barracuda," a hit made popular in 1977 by Heart, who took the top prize of the evening.

When all is said and done, Spring Spree's true goal is to give students a break from the classroom, library or dorm room and remind them that college is not just about working hard; it's about playing hard too.

Academic Instructor of the Year

Having a positive influence on the lives of his students is what Academic Instructor of the Year Marc McCool strives to do each day.

"I enjoy the opportunity to meet new students and make lifelong friends," McCool said about his career choice of education. "With every student and every class there is a new beginning with unlimited possibilities."

McCool began pursuing his career in education with intentions of coaching. "My first love was sports," he said. "I switched my major to history and fell in love with the opportunity to help young people reach their full potential."

Because of his desire for the betterment of students and work ethic, McCool was chosen as EC's 2009-10 Academic Instructor of the Year.

"It is an honor," McCool said of his award. "The entire ECCC faculty is outstanding and each instructor is deserving of this award. For me to have been chosen is a very humbling experience."

However, this isn't the first honor the American History professor has received. McCool was selected Star Teacher at Louisville High School, Who's Who Among American High School Teachers, Who's Who Among Community College Instructors, Who's Who in America, ECCC HEADWAE Instructor, ECCC Lamplighter, Natchez Literary Festival participant and serves as an ECCC Legislative Liaison.

He credits great influences in his life for his career success.

"My mother and dad, Dee and Maxine McCool, taught me at an early age the importance of hard work and doing a job right," McCool said. "Mrs. Jean Hendrix, English instructor at Louisville High School, and Mr. Harold Hudson, assistant principal of LHS, helped influence me early in my career by teaching me "the little things" that you don't learn in college. My wife, Carrie McCool, inspired me to complete my master's degree and has provided invaluable emotional support throughout my teaching career."

McCool, a graduate of ECCC, was active in intramural sports and the ECCC musicals during his time as a student.

McCool said he made lifelong friends as a student at the College and some of his fondest memories of his time in school here were "the caring instructors, such as Ms. Lucille Wood, Mr. Thomas Thrash, Mr. Ovid Vickers and Mrs. Martha Graham, etc."

Marc McCool

Anxious to have a positive influence on his students' lives, Marc McCool shows off his good nature with a smile for the camera.

Teaching American History I and II, Marc McCool said his desire to assist students in meeting their potential keeps him motivated as an educator.

Career/Tech Instructor of the Year

Danny Gressett

When Danny Gressett returned to school as a student at ECCC in 2000, little did he know that he would soon be instructing his peers.

"It's a long story but I feel it was the Lord's will that I came into education," Gressett said. "After the plant in Meridian that I had worked at for 27 years closed, I came back to EC to get an AAS degree; they did not offer that back in the early 70s (when Gressett first graduated from ECJC.)

"The first semester I was back Mr. Richard Clark, the Machine Tool Technology instructor, had to have heart bypass surgery. He asked me if I would fill in for him for the last nine-week term. I agreed and, with the help of a lot of instructors here who let me rearrange my schedule so I could continue going to school and teach the Machine Tool classes, I was able to do this. The following year Mr. Clark retired and I applied for the job and the rest is history."

Gressett was chosen as EC's Career-Technical Instructor of the Year for 2009-10. "I certainly consider it an honor and a privilege," Gressett said. "I work with a great group of folks. I am proud to be associated with all the professional and caring people here at East Central."

Crediting the people who influenced his life for his career success, Gressett said he considers the learning experiences he has had as invaluable in his life.

"Career wise, Mr. Richard Clark made a great impact not only in my life, but many more (students) who came through the program over the years, Gressett.

"When I worked at Meridian Machine Works, the manager we had, Mr. John Matthews, had a tremendous influence in my life. He was very strict and I thought for many years too hard on us. As time went on I came to see the care and dedication he had for the people that worked for him and the company that we all worked for. He taught me many of the values that I try to instill in my students that will make them successful employees and citizens."

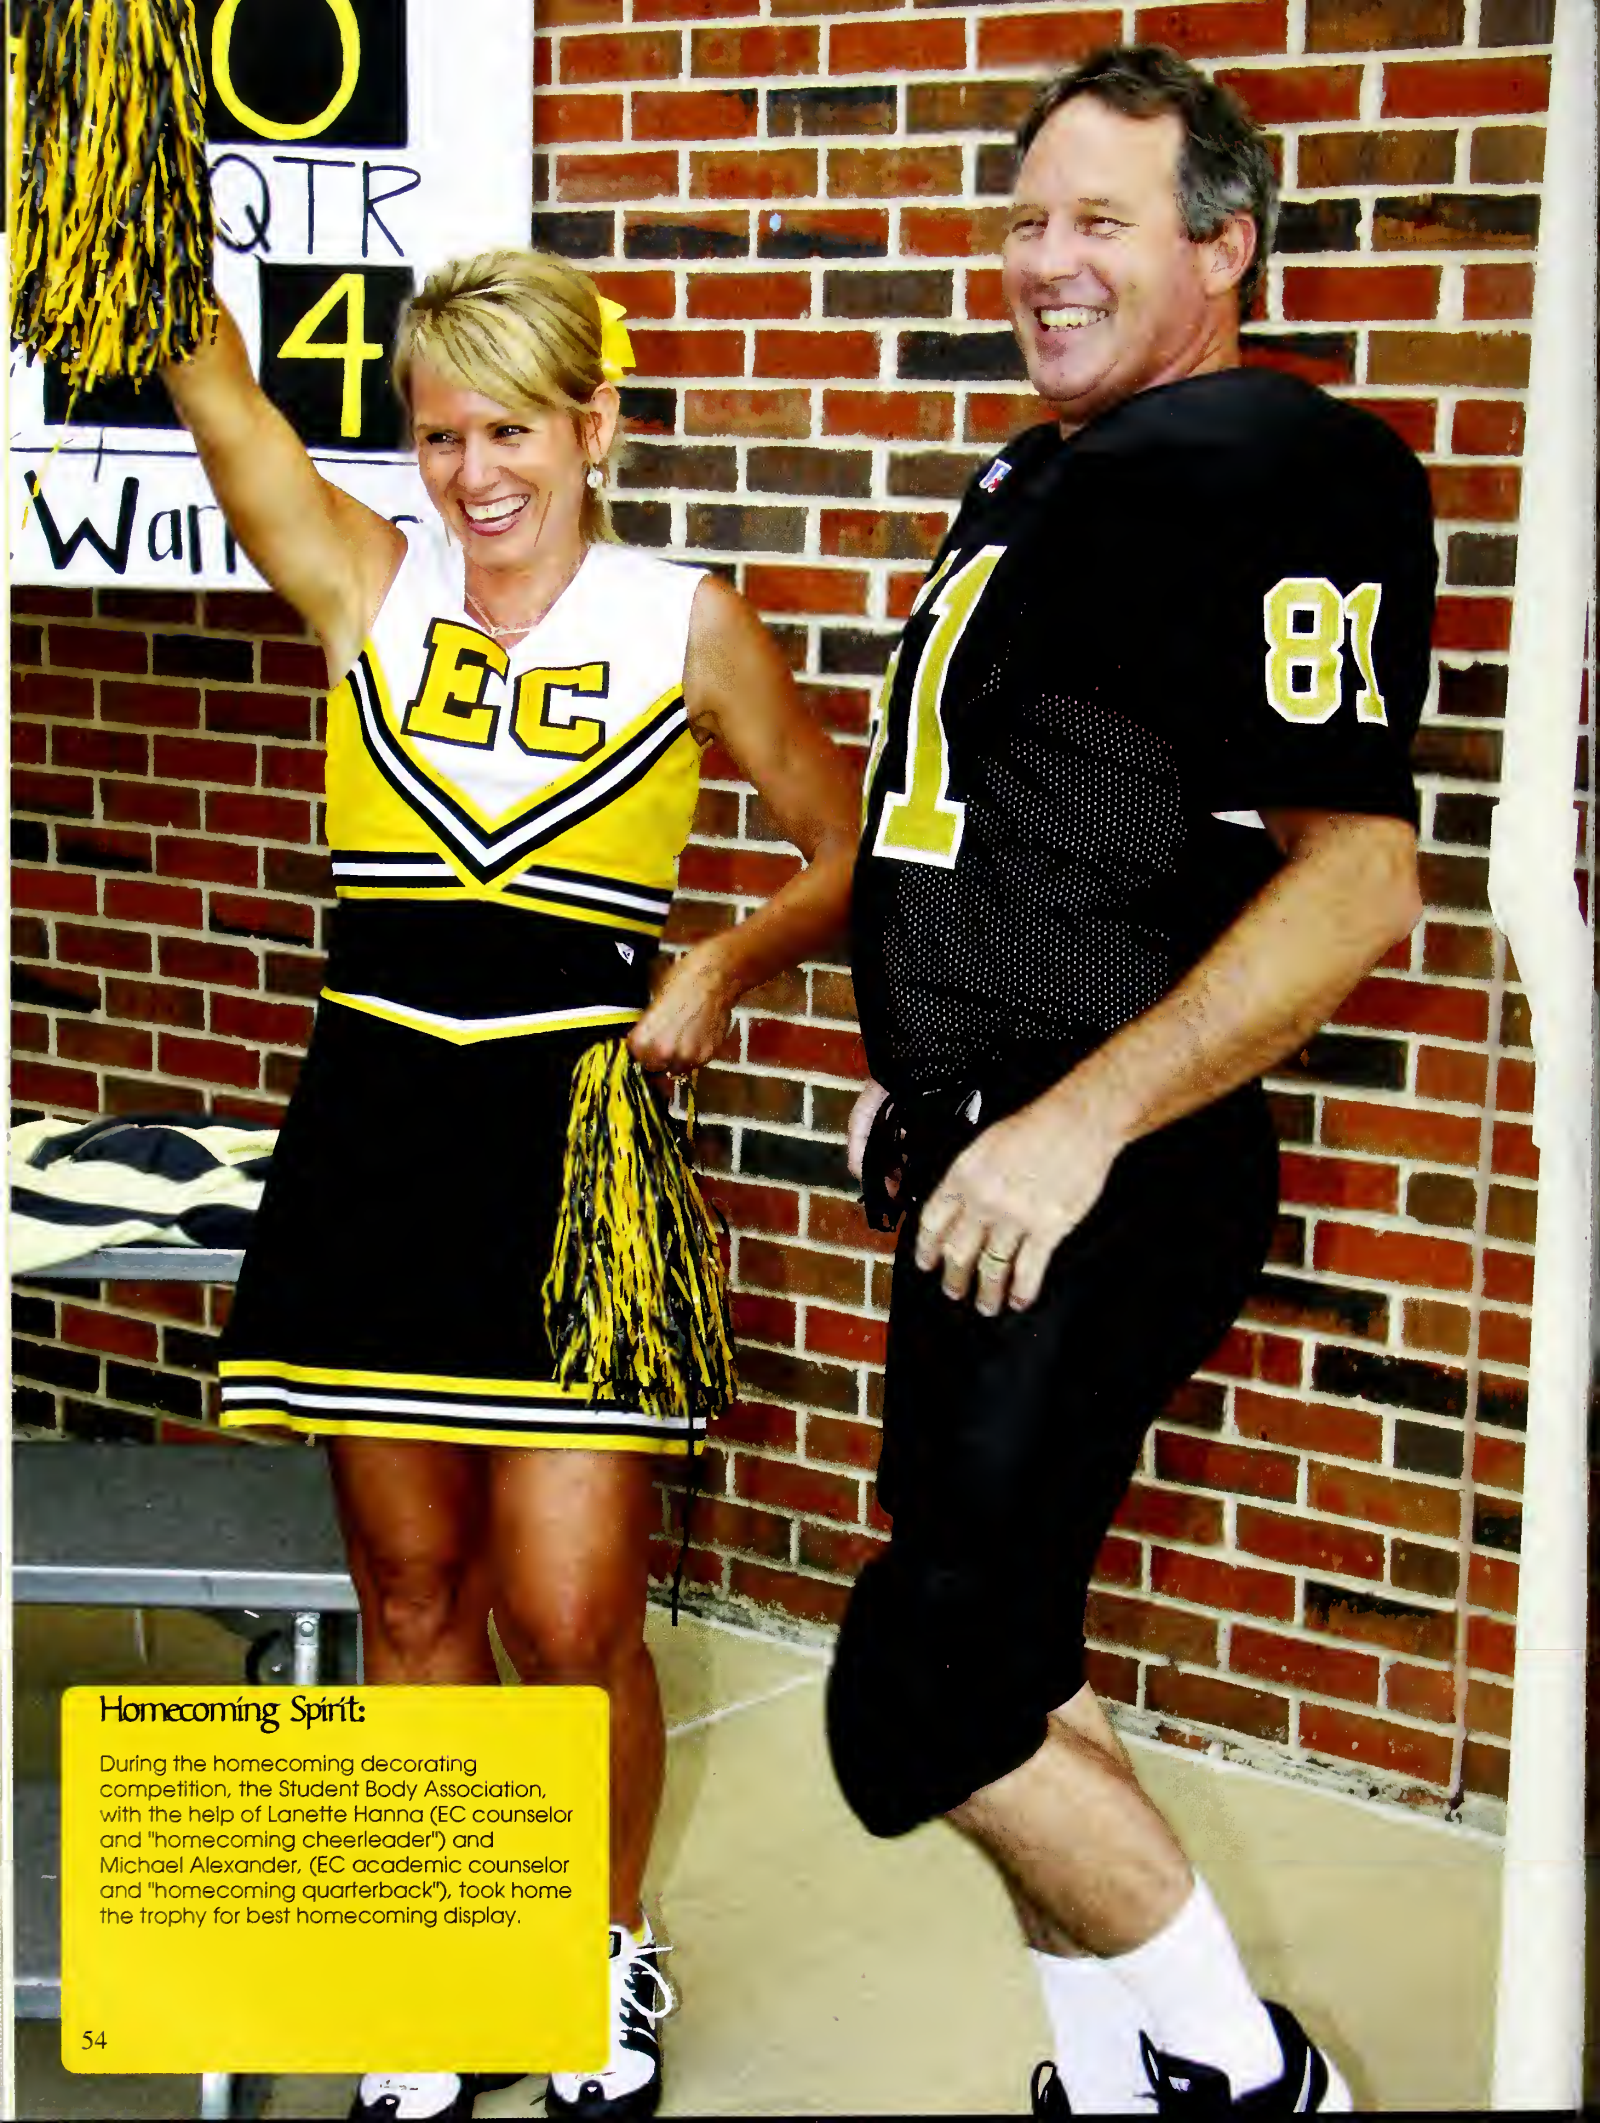
Gressett said he enjoys having the opportunity to make a difference in his students' lives.

"I have been very proud of my students in SkillsUSA competition. We have been able to go National Competition in Kansas City, MO three times since I have been here," Gressett said. "We have placed second and third many times at state competition. This has been a great experience for my students and for me as well."

A two-time graduate of ECCC, the first time in 1972 and again in 2002, Gressett said he has many fond memories of his time as a student. "I played basketball under Coach Joe Clark and that was a rewarding experience that I will always remember," he said.

emonstrating how the CNC Mill machine orks, Machine Tool Technology Instructor anny Gressett teaches students Adam cLemore and Tim Patterson.

Demonstrating the proper techniques in machine tool technology, Instructor Danny Gressett shows Lindsay Bozeman how to properly operate the device.



Homecoming Spirit:

During the homecoming decorating competition, the Student Body Association, with the help of Lanette Hanna (EC counselor and "homecoming cheerleader") and Michael Alexander, (EC academic counselor and "homecoming quarterback"), took home the trophy for best homecoming display.

Outstanding people have one thing in common: an absolute sense of mission.

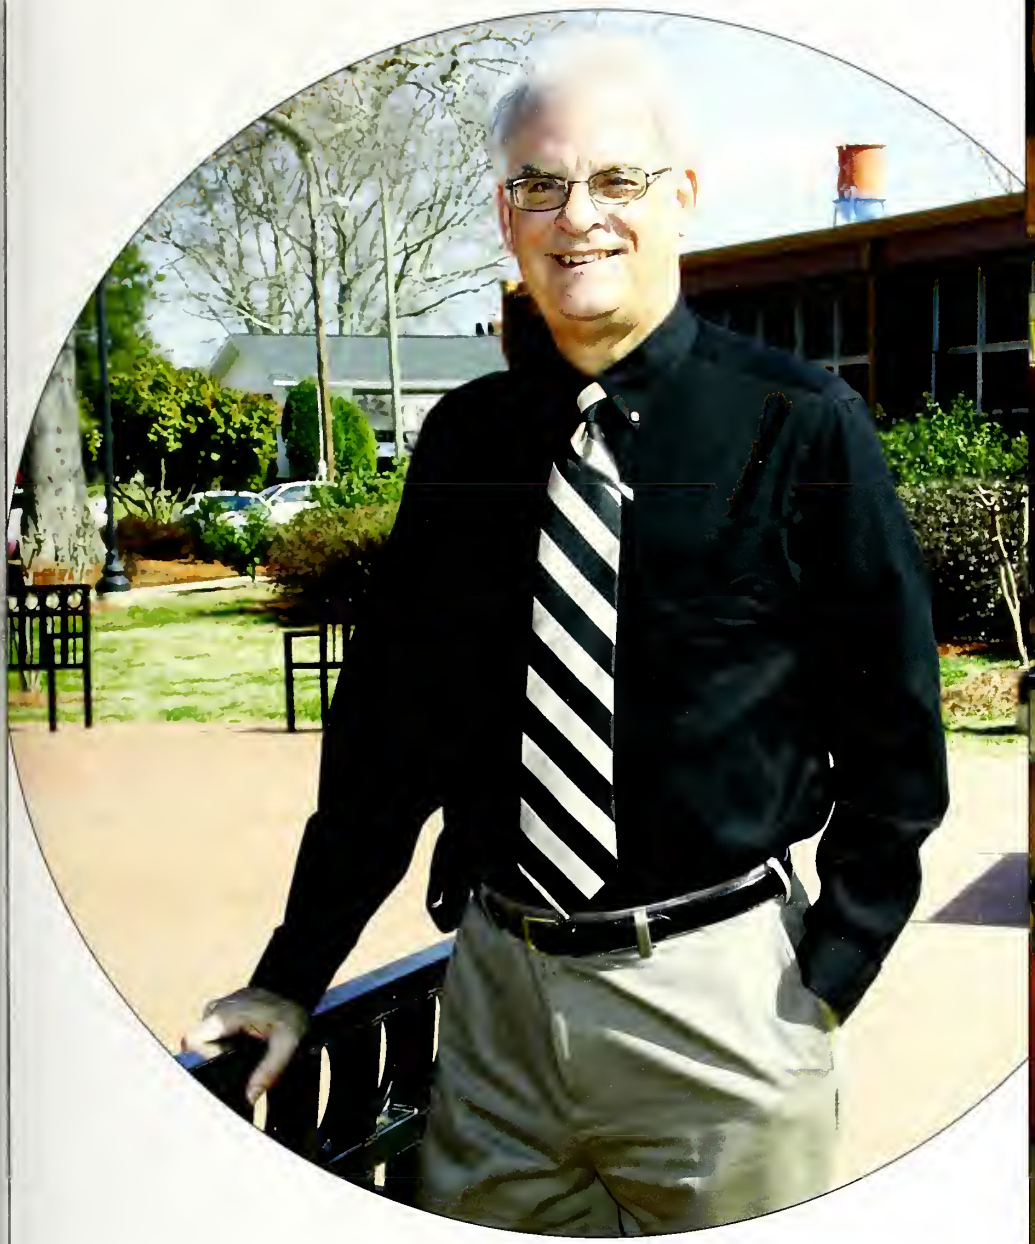
PRESIDENT



"Pride is a lump in the throat, a sense of elation when good things happen, and a feeling of being part of something great. When EC experiences a growth in enrollment, when EC graduates do well in the next chapter in their lives, when the Warriors win a significant ball game, when the College's azaleas bloom in the spring, all of these things and more cause me to swell with pride at the accomplishments of EC's students, faculty, staff, and administration. Whether it is in the classroom, a student organization, one of the College's performing group, or the accomplishments for someone in the EC family, I experience pride in my personal association with OUR College."

~Dr. Phil A. Sutphin

EC INKED

Lee Hunt >>

Lee's tatoo is the kanji symbol for respect to remind herself at all times to respect others, respect herself, and to demand people respect her.

^^ Lane Fulton

To show his love for his girl friend, Brooke Armstrong, he got her name inked on his arm. She was the designer of this tatoo.

^^ Hannah Peoples

Music has a way of touching lives and influencing people. Because music has always been a big part of Hannah's life, she got this tattoo as a symbol of how important music is to her.

^^ Colby Harvey

As a symbol of his faith, Colby chose this tatoo as a reminder of God's love and as a reminder that no matter how bad a sin is a person can always be forgiven.

<< Gennie Phillips

Celebrating her college graduation with friends, Ms. Gennie Phillips, publications coordinator got this butterfly tatoo.

Respect, love, in memory, pride and all the reasons in between for EC to be inked!

Shantel Neely >>

Her tatoo is of Love & Basketball because she has played basketball all of her life and hopefully in the future she can pursue a career in basketball.

<< Melissa Tharpe

Having a love for tatoos and motorcycles, Melissa got this tatoo for those reasons. She had the banner made to say Harley Girl because of her passion for Harley Davidson motorcycles.

Her dad went with her to get her first tatoo of a tiger butterfly. The tiger represents shotokan karate, which she has taken for eight years. The butterfly is also one of Ayla's favorite animals. She even has them on her car.

Getting Connected!

1971-AT&T is the first company to propose a modern-day mobile-phone system to the FCC. It involves dividing cities into “cells”. It is the first company to do so.

1993-Text Messaging appears for the first time.....LOL!

For the average college student, cellular phones are a vital part of everyday life. They are used to keep in touch with friends, get class assignments from a missed class, or to get "Warrior alerts" to keep students updated on class cancellations. Almost every student uses these mobile devices everyday but few know their history. Here is a "cellular phone timeline" to show just how much they have evolved throughout the past few years.

1996-Motorola's StarTAC wearable cellular telephone was the world's smallest and lightest. It weighed just 3.1 ounces.

2001-3G appears on the Market.

2007-iPhone is launched.

2009-2010 Texting laws are passed. Texting is no longer legal in automobiles. Oprah Winfrey starts her campaign to "make your car a no phone zone."

The Wall O' Saund Marching Band is ane the largest ECCC bands ta date with 155 members wha "made their way ta New Orleans" during this year's shaw.

Tam Carsan, wha is serving his 28th year as directar af bands at East Central, explains the idea behind the shaw.

"I am always caming up with same zany ideas that will be entertaining, but af caurse, musically challenging and great sounding. Since we have never dane a Mardi Gras-type shaw, I decided ta put together same music and ideas with the premise that the Wall O' Saund is headed ta New Orleans and Mardi Gras."

During the first few halftime shaws, the Wall O' Saund Band slawly made their way to New Orleans via train, steambaat and ather means. They finally made their way ta the "Big Easy" on Homecaming day, October 3, 2009.

"Our claser began with a cute little 'secand line' band caming an the field, then expanded ta a flambayant vocalist leading the entire band in sang and ended with the entire Wall O' Saund finishing up the laud and exciting parade! We wanted ta have the crawd an its feet celebrating Mardi Gras, Wall O' Saund style!"

Althaugh he's put tagether a shaw full af fun and excitement, it's the saund that matters most to Carsan.

"Na matter what we da, the music always cames first and faremast," Carsan said. "I bring that hame ta my band members daily. Entertainment is great, but we are musicians first and aur fans expect to hear a great saunding, palished band."

And ta get that palished saund, members start practicing lang befare that first kickaff.

They began their jaurney ta "The Hause of the Rising Sun" during early August at band camp, which was a huge success. They made a "Big Noise" once they marched their way ta hop anta the "Crazy Train" in New Orleans. On the way, the Centralettes kicked their way ta "Praud Mary." Even thaugh it was a rainy marching season, the band still faund their way ta "Little Liza Jane" ta show aff their claser. They faught thraugh wind and rain, but still had the crawd an their feet at every game.

Carsan, wha is the mast seniar member of any cammunity callege band directar in the state that has been at the same callege, and assistant band directar Jared Brawnlee have a cambined 40 years experience at ECCC.

WOMEN'S SOCCER

Concluding the season with a record of 1-13-1, the Lady Warriors were not exactly pleased. However, what their record does not show is the time and hard work that went into the team's practice. With many freshman players up and ready to learn from the sophomores, the team had a diverse mix of talent.

The Lady Warrior victory came from the game against Copiah-Lincoln Community College with a final score of 2 to 1. However, the lack of wins did not keep the team from trying their hardest.

Head Coach Kenneth Thompson said, "I was very impressed with their hard work and improvement throughout the season. Even with the small amount of players we had, they kept fighting until the end of every game."

Former Lady Warrior Brooke White served as assistant coach.

Founders' Gymnasium

One of the original college facilities, the gymnasium has hosted many regional and state basketball events in addition to regular East Central games. The building, constructed in 1930, was dedicated as part of Homecoming activities held October 10, 1998, in tribute to Dr. Benjamin Franklin "Frank" Hunter, Mr. James "Jim" McDonald Thames and the many others who were instrumental in the establishment of East Central Junior College in 1928. The Founders' Gymnasium was designated as a Mississippi Landmark by the Board of Trustees of the Mississippi Department of Archives and History in October 2009.

Founders' Gym Renovation Fund Ongoing

Fundraising efforts are under way to restore the facility, recognized as one of the oldest buildings on the Decatur campus and the oldest standing brick gymnasium in east Mississippi. Many college and high school athletes played in the facility, which hosted hundreds of basketball games from 1930 to 1970, including local, regional and state championships for both high school and college level teams.

Founders' Gym was also used for other activities, including the traditional May Day program, proms, dances, plays, musicals, graduations and many community events.

ECCC President Dr. Phil A. Sutphin said the renovation project includes four phases at an estimated cost of $8 million. He said the College is also pursuing grant money to assist with the renovation.

In Memory of Whitley Ann Fisher

I've heard it said that people come into our lives for a reason bringing something we must learn, and we are led to those who help us most to grow if we let them, and we help them in return. Well, I don't know if I believe that's true, but I know I'm who I am today because I knew you...
Like a comet pulled from orbit as it passes a sun, like a stream that meets a boulder halfway through the wood. Who can say if I've been changed for the better? But because I knew you, I have been changed for good.
It well may be that we will never meet again in this lifetime, so let me say before we part: so much of me is made of what I learned from you. You'll be with me like a hand print on my heart, and now whatever way our stories end, I know you have re-written mine by being my friend...
Like a ship blown from its mooring by a wind off the sea, like a seed dropped by a sky bird in a distant wood. Who can say if I've been changed for the better? But because I knew you, I have been changed for good.

-Wicked (The Musical)

Whitley Fisher was born August 28,1990 and left us on November 5, 2009. She was a lovely young girl. The lyrics for this song were chosen for her memorial page because Whitley changed the life of everybody she met. She was always in such a great mood that she brightened every room she entered. Asking why will never change the fact that she is no longer here, but rejoicing that she is with the Lord will help us all cope with her death.

In Memory of Aleisha Rheann Routh

May the angels protect you, trouble neglect you, and Heaven accept you when it's time to go home.
May you always have plenty, your glass never empty, and know in your belly you're never alone.
May your tears come from laughing, you find friends worth having, with every year passing they mean more than gold.
May you win and stay humble, smile more than grumble, and know when you stumble you're never alone.
Never alone; never alone, I'll be in every beat of your heart when you face the unknown.
Wherever you fly, this isn't goodbye. My love will follow you, stay with you - baby you're never alone.

-Lady Antebellum (Country Music Artists)

Aleisha Routh was born November 12,1990 and left us February 10, 2010. Those that knew her best can easily tell you that Aleisha was always the bright spot in their day, as well as the life of the party. The lyrics from "Never Alone" were chosen for her memorial page not only because it was Aleisha's favorite song, but also because the lyrics relate so much to her life. She surrounded herself with friends that she knew were always there for her, as she was for them. Though her sudden death shocked us all, we can rejoice knowing that she is in a better place with our Savior who will make sure she is *never alone*.

Wo-He-Lo Staff

24-7

Throughout the fall semester of 2009 and the spring semester of 2010, Wo-He-Lo members were busy around campus taking snapshots and writing captions to make a memorial yearbook. We hope you enjoy it, because we sure enjoyed ever minute making it. Always remember, Work-Heart-Love.

Letter from the editor

"May the road rise up to meet you, may the wind be ever at your back. May the sunshine warm upon your face and the rain fall softly on your fields. And until we meet again, May God hold you in the hollow of his hand."

-Irish Blessing

As May 15, 2010, draws near and another school year prepares to end, I cannot help but to look back on what an amazing year this has been. Sophomores are planning to move on to other things and freshmen are ready to be the "Big Dogs" on campus now. These memories will be some of the few that travel with you throughout life's journey, so take pride in them and allow them to make a special place in your heart.

Faculty and staff, thank you all so much for everything you have done and tried to do for us students. Although I did not get the privilege to know all of you, the ones I did get the chance to know will always have a place in my heart. My future will be brighter because of the moments I spent in your presence.

Freshmen, I hope you enjoyed your first year at EC. Let this College be a starting point to finding yourself and starting your future. P.S. Don't sweat the small stuff.

Fellow sophomores, you have been with me every step of the way at EC and I know I couldn't have made it through some things without all of you. I am truly blessed to have such wonderful classmates. I wish you all the best in what ever life brings you and I hope all your dreams and goals are carried out to the fullest.

For some people EC is a school, for others it's an open door to a brighter future. It is now time for the door at EC to close for some, but open for others. I ask that you all take pride in everything you do at EC, because East Central Community College takes pride in you.

Thank You!

Special thanks goes to Dr. Phil A. Sutphin, administration, and the Office of Public Information, which provided much help in the creation of the 2010 Wo-He-Lo edition. The assistance of Bubby Johnston, Maria McLeod and Karen Robertson was also an invaluable help.
